

Discovery Weekend Trip to Dalesdown Friday 25th to Sunday 27th November.

Dear Parent / Guardian,

We are planning a great weekend away to Dalesdown Youth Centre near Horsham.

We had an excellent time there last November, check out the pictures at, www.stpetersfarnborough.org/youth

The purpose built facilities include:

- 4-6 person bedrooms (we will need to bring our own sleeping bags/duvet cover /pillow case)
- Dining room, (the centre is self catering, & we will be taking along two staff to do the catering)
- Football pitch, basketball and volleyball, inside sports hall, table tennis, football & pool tables.

Not only will the weekend provide you a bit of peace and quiet at home - but it will be a great fun time for the Discovery Group! These weekends prove very popular, enjoyable and fun, and are also an excellent time for getting to know each other and making new friends. The accommodation and food is excellent and there are lots of extra things to do as well as the organised activities.

The price this year is £50 (food / accommodation / activities), and an extra £16 for the coach.

If you would like your child to come along, please could you return the tear off slip to me by Sunday 30th October with the necessary money (either the deposit or the full amount). If you would like your child to come but the finance is an issue please have a word with me in confidence.

Thanks

Wil North (Curate) - St Peter's Church, Farnborough.

(If you have not yet completed a medical form this year, we will need you to do so)
